

Men of OA - *You're not alone!*

Are you the only man in your meeting? Do you have trouble freely sharing in meetings of mostly women? The World Service Survey done in 2010 revealed that only about 13% of our fellowship consists of men! **If you want to connect with other men in OA, there are many meetings, by phone and in-person, with a Special Focus for Men, as well as several other ways you can connect with men in the program.**
